TEL NO: 6267 9234 FAX NO: 6267 9235

---

Through the Principal,  
Mrs Chandler Jay Siva

30 June 2022

Dear P2 Parents/Guardians,

### Welcome back to West Grove Primary School!

We hope you have had a rejuvenating and meaningful June holidays with your child. With more relaxed Safe Management Measures (SMMs) in place for COVID-19, the school will continue to plan for engaging and enriching experiences for your child in Term 3.

Since 2019, the Student Development Department (SDD) has adopted the **PROSPER** framework (T. Noble and H. McGrath) to guide us in our students' wellbeing programmes, where we Encourage **Positivity**, Build **Relationships**, Facilitate **Outcomes**, Focus on **Strengths**, Foster a sense of **Purpose**, Enhance **Engagement** and Teach **Resilience**.

As we embark on our exciting journey this term, let us focus on **strengths**. A 'strength' can be a specific skill or ability such as writing, reading, playing music, swimming, cartooning, leadership or even using spreadsheets. It can also be a character trait such as persistence, bravery, kindness to others, sense of humour. The school uses a strengths-based approach to help your child select strategies for the identification of his/her strengths so he/she has opportunities to develop a deep understanding of his/her relative strengths and areas for growth.

It has been reported that when children work with their strengths they tend to learn more readily, perform at a higher level, are more motivated and confident, and have a stronger sense of satisfaction, mastery and competence. The question therefore has been changed from 'how smart is this child?' to 'how is this child smart?'. More importantly, the question has changed from 'Is this child strong?' to 'what are the strengths of this child?'. It is up to us to identify the strengths of each child and help him/her build on their strengths.

## Programme for Active Learning (PAL)

The Programme for Active Learning (PAL) is an integral part of the Primary 1 and 2 curriculum that aims to broaden the learning experiences of our students through play.

The 3 main objectives of PAL are to:

- a) provide students with broad exposure and experiences through fun and varied activities areas:
  - Sports & Games and Outdoor Education, and
  - Performing Arts (Music and Dance) and Visual Arts
- b) facilitate holistic development of students in the 5 domains, that is moral, cognitive, physical, social and aesthetics
- c) provide varied avenues for students to develop social and emotional competencies

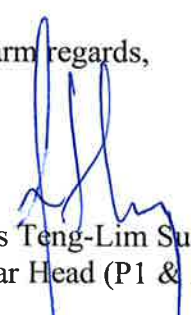

The 2 board areas of Sports & Games and Outdoor Education and Performing Arts and Visual Arts are selected as they provide platforms for experiential learning and opportunities for learning experiences to acquire a range of skills as well as interaction with their peers.

As part of the experiential learning, for the P2 students, under Outdoor Education module, 1 to 2 classes of students will be going to Jurong Lake Gardens to apply what they have learnt in this module. More details will be provided when closer to the date of the Learning Journey for the respective classes.

Learning Journey to Jurong Lake Gardens				
Class	15 Jul	22 Jul	5 Aug	11 Nov
2A	√			
2B	√			
2C		√		
2D		√		
2E				√
2F				√
2G			√	

Collectively, these experiences are building blocks that allow our students to practise the school values of Resilience, Responsibility, Respect, Integrity, Commitment and Kindness, as well as develop into confident, curious, creative and cooperative students.

Warm regards,

  
Mrs Teng-Lim Suat Lay  
Year Head (P1 & 2)
