Through the Principal,
Mrs Chandler Jay Siva 

30 June 2022

Dear P4 Parents/Guardians,

Welcome back to West Grove Primary School!

We hope you have had a rejuvenating and meaningful June holidays with your child. With more relaxed Safe Management Measures (SMMs) in place for COVID-19, the school will continue to plan for engaging and enriching experiences for your child in Term 3.

Since 2019, the Student Development Department (SDD) has adopted the **PROSPER** framework (T. Noble and H. McGrath) to guide us in our students' wellbeing programmes, where we Encourage **Positivity**, Build **Relationships**, Facilitate **Outcomes**, Focus on **Strengths**, Foster a sense of **Purpose**, Enhance **Engagement** and Teach **Resilience**.

As we embark on our exciting journey this term, let us focus on **strengths**. A 'strength' can be a specific skill or ability such as writing, reading, playing music, swimming, cartooning, leadership or even using spreadsheets. It can also be a character trait such as persistence, bravery, kindness to others, sense of humour. The school uses a strengths-based approach to help your child select strategies for the identification of his/her strengths so he/she has opportunities to develop a deep understanding of his/her relative strengths and areas for growth.

It has been reported that when children work with their strengths they tend to learn more readily, perform at a higher level, are more motivated and confident, and have a stronger sense of satisfaction, mastery and competence. The question therefore has been changed from 'how smart is this child?' to 'how is this child smart?'. More importantly, the question has changed from 'Is this child strong?' to 'what are the strengths of this child?'. It is up to us to identify the strengths of each child and help him/her build on their strengths.

Assessment Matters

The dates and topics of the assessments to be held in Term 3 are as follows. We hope that the information will better help your child in planning for his/her revision.

In the event of an absence on the day of the assessment, your child needs to produce a **medical certificate or have a valid reason with supporting documents**. Please note that there will be **no make-up assessment**.

Students who are on MC or unwell with flu-like symptoms such as fever, running nose, sore throat and cough **will not be allowed** to take the assessments for the full duration of the MC. Please keep your child at home and ensure that they are well before returning to school.

Do inform your child's form teacher in such events.

Date	Subject	Format of Paper	Topics
31 August 2022 Wednesday	Science Practical Assessment	<ul style="list-style-type: none">• 5 to 10 Structured and Open-ended Questions (10 Marks)	Not Applicable

P4 Museum Based Learning

To provide authentic learning as well as exposure to local artists and art works, the Museum-based learning to the National Gallery of Singapore forms part of the art education curriculum for the Primary 4 students. As students go through this experience, they will learn to apply their critical inquiry skills, hence deepening their observation and questioning skills. Navigating through the gallery, they will also learn museum etiquette and appreciation for art.

WEST GROVE PRIMARY SCHOOL
1, JURONG WEST STREET 72 SINGAPORE 649223
TEL NO: 62679234 FAX NO: 62679235

All Primary 4 classes will be scheduled to go for this experience in Term 3, according to this schedule below:

Date	Class	Time	Things to bring
Fri, 5 th Aug 2022	4C	- Meet outside the General Office at 1.15 pm - Dismissal from school at 4.00 pm	Small bag to contain their water bottle, sketchbook and a pencil
Wed, 17 th Aug 2022	4G		
Wed, 24 th Aug 2022	4A & 4B
